Charity Bachelor Auction: Feb 9th

Our Charity Bachelor Auction (for him or for her) is just around the corner (literally). The event is 7PM Thursday, Feb 9th at John Barleycorn's at 3524 N Clark Street (Upper level). Tickets are \$15 in advance (at either the LVCC or CLMA office at 867 W Buckingham) and \$20 at the door and include one free drink plus hors d'oeuvres. You can also purchase tickets online (with a small handling fee) at lakeviewcitizens.org/auction.asp.

WE NEED EVERYONE'S HELP. We could always use more bachelors. We are still accepting donations from restaurant sponsors. And most importantly, we need helping running the event itself. Everyone who helps gets a free ticket.

All the proceeds from the event will go towards acquiring the second lot for our community garden park at 815-817 W Roscoe Street. We will have additional "Space Park" donation forms at the door and online at the LVCC website.

We'll have a special Triangle Neighbors Auction Committee planning meeting on Tuesday, January 31st at 7PM at the LVCC Office to organize our efforts. If you are interested in helping, email triangle@lakeviewcitizens.org.

We hope you will join us on Feb 9th to make this event a HUGE success. Come see all the fun starting at 7PM. We'll have a DJ, two emcees, and lots of bachelors. You can bid on the dinner certificates (and other great prizes) - that you can use WITH or WITHOUT the bachelor. Remember, it's for charity.

INTERESTED IN BEING A BACHELOR?

We've extended the deadline until **NOON, this Friday, February 3rd**. We are looking for males (ages 21-65) of all orientations. Interested individuals should download the 2-page form at www.lakeviewcitizens.org/auction.asp and email triangle@lakeviewcitizens.org your face-shot photo. Bachelors need to arrive at 7PM promptly and receive complimentary tickets to the event for you and your friends. Your commitment after the event is a 2-hour date with the winner at the restaurant.

Smoking Ban Explained

A new Chicago Clean Indoor Air Ordinance was passed by the Chicago City Council in December 2005. It went into effect January 16, 2006, replacing the law passed in 1988, which generally requires employers to provide non-smoking areas in their workplaces. The new law is intended to protect the health of patrons and workers against the dangers of tobacco smoke, including secondhand smoke. Secondhand smoke is known to cause cancer and heart disease, and "safe" levels of secondhand smoke have not been identified.

The new Chicago Clean Indoor Air Ordinance regulates smoking in and near the entrance to all public buildings and enclosed workplaces and facilities. It establishes an immediate prohibition on smoking in specified public facilities; provides an opportunity for owners of restaurants with bar areas and owners of bar/taverns to allow smoking until July 1, 2008; and exempts exclusively private residences, some hotel and motel sleeping rooms, retail tobacco stores and certain private clubs or lodges from regulation.

SMOKING PROHIBITED:

- All enclosed work places
- All restaurants without a bar area
- All restaurant areas more than 15 feet from the bar counter
- Public places including government buildings, convention facilities, public transportation facilities and shopping malls
- Public restrooms, lobbies, reception areas, hallways and other common use areas in public buildings, apartment buildings and condo buildings
- Within 15 feet of the enclosed entrance to public places
- Recreation areas including enclosed sports arenas, stadiums, pools
- City government vehicles

If you witness someone smoking in a prohibited area, first talk to the manager and if it doesn't stop, call '311' or email publichealth@cdph.org.

Art View in Lake View

Come see all the art galleries in the neighborhood as Lake View East Chamber of Commerce puts on "Art View in Lake View" on Friday, February 10, 2006.

A free trolley service will take residents and visitors to six different galleries from 5PM to 10PM. The trolley will stop at each of the participating locations on Broadway, Clark, Halsted, and Roscoe streets.

Not only is the event free, but there will also be complimentary food and wine tasting.
