Impacts to Our Neighborhood

Did you like what you heard from the City in addressing street flooding? Are you concerned about crime or difficulty finding a parking spot on the street? Have you benefited from the speed bumps on Newport or Roscoe? Whatever your thoughts are, Triangle Neighbors' meetings are the forum to express your views. **And we want to hear from you.**

Each meeting, representatives from the local Chambers of Commerce, the Alderman's office, and the Chicago Cubs come to listen to the positive and the areas to improve. To which end, there are two topics that came up at our last meeting and we want to hear your opinions before we vote on them at the January meeting. If you can't make it to the next Triangle Neighbor's Meeting (January 10th) or the Neighborhood Protection Meeting (January 11th), be sure to e-mail us your thoughts in advance so they can be heard.

1. Proposed incidental liquor license (new) for proposed 12-room hotel to be located at 3473-3475 N Clark Street. At the last meeting, we unanimously approved the special use license to convert the existing property into a hotel, maintaining the existing structure and façade. The developer would like to have an incidental liquor license for a European café attached to the hotel lobby and for "room service" purposes.
2. Proposed Dave Matthews concerts at Wrigley Field on Friday, July 6th (evening) and Saturday, July 7th (evening). At the last meeting, the Cubs shared the work-in-progress, including how neighborhood ticket sales would work and what type of give to the community the Cubs would offer in exchange for amending the Ordinance to allow this.
